Parent's Agreement:

My child understands the rules that he/she is to follow in using the Internet at school. I have talked with him/her to make sure those rules are understood. I understand that employees of the school will make every reasonable effort to restrict access to inappropriate material on the Internet, but I will not hold them responsible for materials my child acquires as a result of the use of the Internet from the school facilities. I give my permission for my child to use the Internet while at school.
