

## Field Trip Permission Form

We encourage our students to be involved in the local community and we teach them the value of service to others. It is our desire to give our students the opportunity to exercise and enjoy nature as well as share Jesus and joy with others in need. During the school year we schedule trips to various activities such as:

- Local trips such as to the South Williamsport Community Park
- Walk the Susquehanna River Walk
- Pick up trash in the neighborhood
- Visit local nursing and assisted care homes
- South Williamsport Seventh-day Adventist Church for program practices

I give permission for my child \_\_\_\_\_ to visit the locations listed above during the school year. In case of an emergency, I give my permission for my child to receive medical treatment. In case of such emergency, please contact:
