

PROVIDING CHILDREN WITH EDUCATION FOR ETERNITY

Your local Seventh-day Adventist school is happy to make this unique program available to you. It embodies the principles of true education and aims to supplement and enrich the home schooling process by providing the following:

- Art and Music Class (Weekly)
- Community Services Activities
- Education Fairs
- Field Day
- Field Trips at discounted-group rates
- Holiday and Graduation Programs
- Holiday Parties
- Insurance (School)
- ITBS Testing\*
- Physical Education Program
- Socialization Opportunities
- School Programs (Worship Service and Sabbath School)

We offer all this and more for a fee of \$250 per student per semester with a discount of \$25 per semester for additional family members. This price includes complete insurance coverage for your child while involved with any of the above listed activities; however, it does not include the price of ITBS testing. The fee for ITBS testing is assessed by the Pennsylvania Conference and is approximately \$60.00 per child being tested (grades 1– 8). Private music lessons are also available for an addition fee.

If you are interested in registering for "Home School Plus" with our school, please contact Mrs. Jennifer Miller, our head teacher, at 570-327-9238.

## Information and Contract Signature Form

**Music, Art, and PE Classes:** Classes and lessons are held throughout the week. You will be given a calendar for each classroom to know days and times for each.

**Field Trips:** You will be notified in advance of all field trips. You are responsible to provide transportation (unless we are taking a bus or train) for your child, but you will be able to take advantage of discounts, etc.

**Parties:** You will be notified in advance and given an opportunity to participate. We have two holiday parties a year, Christmas and Valentine's Day, and the dates are listed on the school's calendar.

**Dress Code:** MVCS students are required to follow a dress code. While we do not expect your child to wear a uniform to school activities, we do need them to be dressed appropriately and follow the same Christian standards that govern our dress policy. No cartoon characters or writing on clothing that is out of keeping with Christian principles. No shorts or other clothing shorter than knee-length. No make-up or jewelry. No inappropriate hair styles, no bleached or dyed hair. To participate in programs with our class, HSP students are to follow the same dress code as the students at MVCS (choir uniform).

**Behavior:** HSP students are expected to follow MVCS school rules at all times when participating in any school activity. An HSP student not following the rules will be reminded of the rules and asked to obey; however, if the behavior persists or the student refuses to follow directions, the parent/guardian will be notified and possibly required to remain during HSP activities to supervise the child. Because we have limited staff, we cannot continue to work with any HSP student who regularly exhibits disregard for following directions/the rules will be withdrawn from the HSP program. There will be no refund of registration fees.

I have read this form and promise to abide by its precepts.
