Financial Aid-2022-2023

MVCS is able to offer a limited amount of financial assistance to qualifying families as funds are available. A separate Student Aid Application (ask or see available on the website) must be completed and returned to the school, prior to the beginning of the school year, or upon enrollment to be reviewed by the MVCS School Board. Receipt of financial aid one year does not guarantee that aid will be granted the next school year. A new application must be submitted before each school year. Families are also encouraged to pursue other assistance opportunities on their own. Financial assistance may also be available from your local church.

Overdue Accounts

Accounts that are more than 45 days past due will be reviewed by the school's finance committee/school board. Efforts will be made to work with families having difficulty meeting their financial responsibilities. Alternative payment schedules may be made available, but open communication by the parents is vital to any process. Likewise, it is important that parents follow through on any new agreements. At any time, the board may terminate the student(s) enrollment.

I agree to meet my financial responsibility and understand that the registration fee and first month's tuition are due on the dates as stated above. I also understand that if I cannot fulfill this agreement during the year, I will contact the school treasurer, April Fulmer immediately, at (570) 419-5185 or w98Vette@aol.com.
